

QUALITY POLICY

New KCC is committed to providing high quality refreshing dairy products and other beverages that meet customer requirements and strive to exceed their expectations.

In pursuit of this commitment, we shall comply with applicable customer and legal requirements and continually improve on our effectiveness by implementing the requirements of ISO 9001:2015.

Top Management shall review this policy and the established quality objectives annually for continuing suitability.

Top Management shall ensure that this quality policy is communicated effectively to all employees.
